CSA supports WestBridge portfolio company, Energist Medical, on its NeoGen skin resurfacing product

Carlton Strategy Advisors has supported the Energist Medical Group, a WestBridge Capital investment company, by providing market due diligence to help the portfolio business with aspects of its business planning.

Headquartered in Swansea, Energist designs and assembles a range of light, laser and plasma based systems which are used in a number of medical and beauty applications such as hair removal, skin rejuvenation, vascular treatment, acne management and body shaping.

People:

Sandy Smart, Partner and Chief Investment Officer, WestBridge Capital

David McClelland, Director of Carlton Strategy Advisors

CSA is a commercial due diligence and business strategy consultancy with clients across the Private Equity and Corporate Banking sectors.
